

## COURSE SNAPSHOT

# CARDIOPULMONARY RESUSCITATION (CPR)

<b>OUTCOME</b>	HLTAID001 Provide cardiopulmonary resuscitation
<b>DURATION</b>	4 hours
<b>PREREQUISITES</b>	Nil

## WHAT THIS COURSE DELIVERS

This course will enable students to perform CPR in accordance with the Australian Resuscitation Council (ARC) Guidelines.

Students will demonstrate:

- CPR on an adult manikin
- CPR on an infant manikin
- Use of an automated external defibrillator.

In recognition of our client bases, site emergency procedures are discussed where 000/ambulance isn't the main emergency contact, and if site emergency procedures are provided ahead of time, the instructor will refer to them during the training.

**In accordance with the Australian Resuscitation Council (ARC) Guidelines, Competency Training recommends that CPR Training is refreshed every 12 months.**

## WHO SHOULD ATTEND

This training is applicable to any personnel requiring either initial CPR training or annual refresher training.

## YOUR OPTIONS

Competency Training is able to provide CPR training for group bookings at your company site or at any of our training centres.

Competency Training offers both a CPR course and our nationally recognised Low Voltage Rescue course (UETDRRF06B Perform rescue from a live LV panel). These courses can be run in succession or as standalone courses. Delivery of both courses in succession requires a full day. Note that current CPR certification is a prerequisite for the unit UETDRRF06B Perform rescue from a live LV panel.

Please contact us for more information and pricing.
