

CERTIFICATE IV IN WORK HEALTH AND SAFETY

WHAT THIS COURSE DELIVERS

This qualification is suitable for individuals working in a work health and safety (WHS) role who may or may not work under supervision. They may provide leadership and guidance to others and have some limited responsibility for the output, safety, and well-being of others.

The qualification reflects the role of workers who apply a broad knowledge base and well developed skills in a wide variety of contexts and may include HSE coordinators, advisors and facilitators.

WHO SHOULD ATTEND

People working in a WHS role who may or may not be under supervision seeking to upgrade their qualifications.

PREREQUISITES

There are no formal prerequisites for this course.

YOUR OPTIONS

Students undertaking this qualification will be provided options to allow them to complete their training in a format and time-frame most appropriate to their previous experience, qualifications and current work commitments.

- Standard: 10 months (self-paced)
- Intensive: 5 days + assessment (face-to-face)

Please contact us for more information and pricing.

UNITS OF COMPETENCY

BSBWHS402	Assist with compliance with WHS laws
BSBWHS403	Contribute to implementing and maintaining WHS consultation and participation processes
BSBWHS404	Contribute to WHS hazard identification, risk assessment and risk control
BSBWHS405	Contribute to implementing and maintaining WHS management systems
BSBWHS406	Assist with responding to incidents
BSBMGT403	Implement continuous improvement
BSBRES401	Analyse and present research information
BSBWHS408	Assist with effective WHS management of contractors
BSBWHS410	Contribute to work-related health and safety measures and initiatives
BSBWRT401	Write complex documents

Students will undertake a range of class based tasks that simulate a WHS environment. Theory sessions, practical activities, written and practical assessment are conducted throughout the course. Practical activities and group discussions allow students to acquire and improve employability skills throughout the facilitation of the course.
