Information for IECEx Candidates

To apply you must complete an IECEx Application form which includes work history, CV or Resume, photo identification (passport or driver's licence), a clear passport type photo, copies of qualifications, & training courses completed.

- IECEx CoPC exams for each Ex unit are made up of Knowledge (theory) assessments in 2 parts.
- Single Response (multiple choice)
- Constructed Response (short answer)
- Each assessment has time limits based on the number of questions
- Pass mark is 75% total from both SR & CR

Practical Assessments – Some units require demonstration of practical skills, such as install, testing, maintain, visual, close, detailed inspection, and audit hazardous area 003/004/006/007/008/010

- Practical Assessment for Units 002/009 are required, however, are paper based assessments.
- "You Test Me" is the online software used to undertake the theory assessments, and this is the preferred method. You will need a laptop computer to access this.
- Alternatively, paper-based assessments are available if required.
- No electronic devices (mobile phones, computers, smart watches) are permitted in paper-based tests.
- Training notes, and 60079 standards are permitted for use, you may bring your own or may be supplied.
